INTRODUCTION

OUR CONSTANTLY GROWING POPULATION REQUIRES MORE AND MORE NEW ROADS, WHICH IN TURN MEANS THAT QUITE OFTEN HOMEOWNERS, TENANTS, BUSINESSES, FARMS, RANCHES AND NON-PROFIT GROUPS MUST MOVE TO A NEW LOCATION SO THAT AN EFFICIENT, MODERN HIGHWAY MAY BE BUILT TO SERVE ALL OF THE PEOPLE.

AS MUCH AS WE ALL BENEFIT FROM GOOD ROADS, AND AS MUCH AS WE ENJOY DRIVING ON THEM, HAVING TO MOVE IS ALWAYS SOMEWHAT UNPLEASANT, AND IS CERTAINLY HARD WORK. BECAUSE OF THIS, THE U.S. CONGRESS ENACTED THE UNIFORM RELOCATION ASSISTANCE AND REAL PROPERTY ACQUISITION POLICIES ACT OF 1970, PUBLIC LAW 91- 646, and TITLE IV - UNIFORM RELOCATION ACT AMENDMENTS OF 1987, PUBLIC LAW 100-17. LEGISLATION WAS THEN PASSED BY THE NEVADA LEGISLATURE UNDER NEVADA REVISED STATUTES CHAPTER 342.

THE PURPOSE OF THIS ACT IS TO ESTABLISH A UNIFORM POLICY FOR FAIR AND EQUITABLE TREATMENT OF PERSONS DISPLACED AS A RESULT OF FEDERAL OR FEDERALLY- ASSISTED PROGRAMS IN ORDER THAT SUCH PERSONS SHALL NOT SUFFER DISPROPORTIONATE INJURIES AS A RESULT OF PROGRAMS DESIGNED FOR THE BENEFIT OF THE PUBLIC AS A WHOLE. ALL SERVICES AND/OR BENEFITS TO BE DERIVED FROM THE DEPARTMENT'S RELOCATION PROGRAM WILL BE ADMINISTERED WITHOUT REGARD TO RACE, COLOR, NATIONAL ORIGIN OR SEX.

IN ORDER TO CARRY OUT THE PROVISIONS OF THIS ACT, AND TO HELP WITH YOUR MOVING PROBLEMS, YOUR NEVADA DEPARTMENT OF TRANSPORTATION HAS A STAFF OF EXPERIENCED PEOPLE WHO CAN ASSIST YOU IN MANY WAYS, AND MAKE THE CHORE OF MOVING LESS OF A PROBLEM.

IN THIS BROCHURE WE HAVE TRIED TO ANSWER THE QUESTIONS THAT WE HAVE BEEN MOST OFTEN ASKED. IF YOU HAVE ANY FURTHER QUESTIONS, THE RIGHT-OF-WAY AGENT ASSIGNED TO YOUR RELOCATION WILL ASSIST YOU.

PLEASE DO NOT CONSIDER THIS BOOKLET AS A NOTICE TO MOVE.

ADVISORY SERVICES

HOW DOES ONE LEARN THAT A HIGHWAY PROJECT IS UNDER WAY?

When it is determined that a new highway is necessary for an area, the Department of Transportation will commence studies on several prospective locations. After these studies have been made, public hearings will be held in the areas affected by the proposed locations. Public hearing notices will be published in the local newspapers, giving the dates and times of hearings.

WHO IS ELIGIBLE FOR ASSISTANCE?

If you legally occupy any type of residential premises as either owner or tenant or if you legally occupy a business, farm or nonprofit organization property as either owner or tenant, and these premises are required for the construction of a Federal-aid Highway, you are eligible for relocation assistance advisory services.

WHEN MUST I MOVE?

The date for moving is determined by the Department of Transportation's need for the property, however, at least 90 days will be allowed for you to vacate the property. Also, no person shall be displaced from his dwelling until at least one comparable dwelling has been made available.

HOW DO I GET ASSISTANCE?

Normally, a Right-of-Way Agent from the Department of Transportation will contact you without the need for any action on your part. However, you may obtain information and help at any time by contacting the Department of Transportation District Office nearest you, which in turn will provide you with the address and telephone number of the Project Relocation Office.

WHAT SERVICES ARE AVAILABLE?

The following is a list of various types of advisory services, which your relocation agent will provide, if necessary, in your relocation:

1. Discuss and explain the various relocation services and payments, and explain the eligibility requirements.
2. Provide current information on the availability of comparable replacement housing for sale or rent.
3. Provide current listings of comparable commercial properties and locations for businesses and information on loan programs, S.B.A., HUD, etc.
4. Supply information concerning other Federal and State housing programs, and other Federal and State assistance programs.

5. Supply mortgage information such as present interest rates, down payments and closing costs.
6. Supply names of local licensed movers, building contractors and area real estate offices.
7. Supply information on The Public laws, or the applicable state law or Nevada Revised Statute that concerns Relocation Assistance.

SUPPOSE I BELIEVE THAT A PAYMENT WAS INCORRECT, INADEQUATE, OR THAT A PAYMENT WAS NOT OFFERED FOR WHICH I BELIEVE I AM ELIGIBLE?

You may file a letter of appeal setting forth the reasons for your dissatisfaction as well as what you believe to be the correct determination relative to your eligibility of relocation payments. This may be done either in letter form, or you may use a printed form which you may obtain from the Right-of-Way Agent who is assisting you, or from the nearest Right-of-Way Office.

WHO WILL TAKE ACTION ON MY APPEAL?

The Director of the Department of Transportation will review your appeal, and you will be informed in writing of the final determination.

DOES A CONDEMNATION ACTION DISQUALIFY ME FOR RELOCATION PAYMENTS?

Not at all. You may receive any payment for which you are eligible; however, if you retain legal counsel, you should discuss this with your attorney.

ARE RELOCATION PAYMENTS CONSIDERED AS INCOME?

No relocation payment received by a displaced person under these regulations shall be considered as income for the purpose of the Internal Revenue Code of 1954 which has been redesignated as the Internal Revenue Code of 1986, or for the purpose of determining the eligibility or the extent of eligibility of any person for assistance under the Social Security Act or any other Federal law.

If you choose to receive the schedule payment, you cannot be reimbursed for any additional incidental or related moving costs.

2. Displaced persons may elect the actual expense option and hire a licensed mover and be reimbursed for the cost of the move upon presentation of paid, receipted bills; or the Department of Transportation may contract with a licensed mover and pay him direct; or the displacee may move himself and be reimbursed for the actual reasonable expenses supported by itemized receipted bills or other documentation.

IS THERE A LIMIT ON THE DISTANCE I MAY MOVE?

You may move any distance you desire; however, the Department of Transportation will not reimburse you for moving expenses in excess of 50 miles.

Because of the various options available to mobile home occupants, the relocation agent will explain your individual benefits in detail.

FOR WHAT REPLACEMENT HOUSING PAYMENT AM I ELIGIBLE?

The various types of replacement housing payments are explained by the types of occupancies on the following pages:

OWNER-OCCUPANTS - 180 DAYS OR MORE

Option 1: Purchase

If you are an owner and have occupied your residence for 180 continuous days or more immediately prior to the initiation of negotiations for the acquisition of your property and you wish to purchase a replacement dwelling, you may be eligible for a payment not to exceed \$22,500.00 that includes the following:

- a. A purchase supplement, if any, which when added to the acquisition price of your residence, equals the reasonable cost of a comparable dwelling. The maximum purchase supplement will be computed by the Department and delivered to you as the "probable replacement housing allowance."
- b. An amount, if any, for increased interest costs, which when computed provides a lump sum payment which could be used to reduce the amount of the mortgage on the replacement dwelling to an amount which could be amortized with approximately the same repayment schedule as that remaining for the mortgage on the displacement dwelling.

c. An amount, if any, for other incidental expenses such as escrow fees and closing costs, but not including any prepaid expenses such as real estate taxes and insurance.

Option 2: Rental

If you choose to rent a decent, safe and sanitary replacement dwelling, you may be eligible for a payment not to exceed \$5,250.00 that includes the following:

a. A rental supplement, if any, that is determined by subtracting 42 times the monthly market rent of your present residence from either the amount determined by the Department as being necessary to rent a comparable replacement dwelling, or the amount you actually pay for a decent, safe and sanitary replacement dwelling, whichever is lesser.

OWNER-OCCUPANTS and TENANT-OCCUPANTS - 90 DAYS OR MORE

Option 1: Rental

If you are an owner and have occupied your dwelling for 90 to 179 days or if you are a tenant and have occupied your dwelling for 90 continuous days or more immediately prior to the initiation of negotiations and you choose to rent a replacement dwelling, you may be eligible for a payment not to exceed \$5,250.00 that is made up of the following:

a. A rental supplement, if any, that is determined by subtracting your present monthly rent or the market rent from either the amount determined by the Department as being necessary to rent a comparable replacement dwelling, or the amount you actually pay for a decent, safe and sanitary replacement dwelling, whichever is less. This rental supplement is the calculated increase in your rent for 42 months and is delivered to you as the "probable replacement housing allowance."

Option 2: Down-Payment

If you choose to make a down payment on a decent, safe and sanitary replacement dwelling, you may be eligible for a payment in the amount of \$5,250.00 to make a down payment on the purchase of a comparable replacement dwelling, including incidental costs such as escrow fees and closing costs but not including any prepaid expenses such as taxes and insurance. The down payment to the 90-day owner-occupant "may not exceed the purchase differential payment had the displaced owner met the 180 day occupancy requirement.

WHAT ARE INCIDENTAL EXPENSES?

These are costs that may be incurred by a displaced person when purchasing replacement housing, and include such items as the following:

1. Title search expense.
2. Conveyance contract preparation charges.
3. Land survey cost if the survey is necessary for obtaining a loan or title insurance.

4. Notary public fees.
5. Plat drawing costs.
6. Recording fees.
7. Lending institution appraisal fees.
8. FHA or VA application fees.
9. Structural soundness certification fees.
10. Credit report charges.

12. Escrow fees.
13. Nevada real property transfer taxes.

If you actually pay such costs, you may be eligible for reimbursement; however, no reimbursement will be allowed for prepaid costs such as real estate taxes and property insurance.

Reimbursement of incidental expenses is based upon a displacee obtaining financing on a replacement dwelling and being notified that they are eligible for such expenses.

Eligibility for the above expenses will not be confirmed until the State has made an offer to purchase and the expenses are determined to be necessary and reasonable.

REPLACEMENT HOUSING DISBURSEMENT

REPLACEMENT HOUSING PAYMENT LIMITATIONS

1. The purchase supplement payment for the 180-day owner-occupant will be the actual amount by which the cost of a decent, safe and sanitary replacement dwelling exceeds the acquisition cost of the displacement dwelling, but not more than the computed entitlement.
2. Down payment replacement housing allowances must be applied to the purchase price of a decent, safe and sanitary replacement dwelling including any related reasonable incidental expenses.
3. Rent supplemental payments are limited to the difference between your present rent, or market rent, and the amount you actually pay for a decent, safe and sanitary replacement dwelling, or, if lesser, the difference between your present rent, or market rent, and the amount determined by the Department of Transportation as being necessary to rent a decent, safe and sanitary comparable replacement dwelling.

4. Rent supplemental payments shall be paid in a lump sum, unless the displaced person who is entitled to the payment requests that it be paid in annual installments.

CAN I CHANGE MY TYPE OF DWELLING?

Yes, the fact that a displaced person decides to move into a different type of dwelling is of no significance other than the replacement dwelling must meet the decent, safe and sanitary standards in order to qualify for a payment.

For example, an owner may decide to rent, or a tenant may choose to buy a replacement dwelling.

WHEN MUST I OBTAIN REPLACEMENT HOUSING?

If you are a 180-day owner-occupant, you must have purchased and occupied a . decent, safe and sanitary replacement dwelling within one year from the later of the following dates: (1) the date on which you receive the final purchase payment, or the date that the amount of the estimated just compensation is deposited with the court, or (2) the date when you were given the probable entitlement and advised of an available comparable replacement dwelling.

If you are a 90-day owner or tenant occupant, you must have rented and occupied a decent, safe and sanitary replacement dwelling within 1 year from the date of your move, or if later, the date when the 90-day owner-occupant receives the final purchase payment or the estimated amount is deposited with the court of just compensation.

IS THERE A TIME LIMIT FOR FILING APPLICATIONS FOR REPLACEMENT HOUSING PAYMENT?

Yes, you must make application no later than 6 months after the expiration of the one year period during which you must have purchased or rented your replacement dwelling. In condemnations, an application should be filed no later than 6 months after final adjudication.

WHEN WILL MY REPLACEMENT HOUSING PAYMENT BE MADE?

It normally takes approximately four (4) weeks to process a payment after you have occupied a decent, safe and sanitary replacement dwelling. However, should a financial hardship exist, it may be possible to expedite a payment.

CAN THE PAYMENT BE PAID INTO AN ESCROW?
